### *Taste of New Europe – French Speaking Canada*

#### **Day 1: Depart to Montreal (Quebec)**

Board your flight Montreal. At arrival in Montreal (French Canada) you will be greeted by your bilingual guide that will stay with the group for the entire time. Transfer to the hotel in Montreal. Rest of the afternoon at your leisure. Dinner and overnight Montreal. (D)

#### **Day 2: Montreal**

1st performance

After breakfast embark on a city tour of Montreal. “May 1642. A group of French settlers, men and women both, founded Montréal on the banks of the St. Lawrence River, on a tip of land that is now part of Old Montréal. This little 17th-century French settlement, initially baptized Ville-Marie, would grow and change quickly.” Free time in the city. In the afternoon we travel to meet a local choir. Dinner with them followed by a concert with both choirs in the evening. Back to Montreal for the night. Overnight Montreal (B, D)

#### **Day 3: Magog, St, Benoit du Lac**

We travel to St-Benoit du Lac to visit the Abbey of Saint-Benoit (Benedict) located on lake Memphremagog. I've never seen monks pick a bad location, but they outdid themselves at Saint-Benoit. Enjoy the Gregorian song by the Benedictine monks, where they raise their voices in chant. The abbey stands on high ground along the western fork of the lake, surrounded by forest, meadows, and its own apple orchards. On to Magog, free time for lunch and visit of this cute city on Memphremagog lake (close to Vermont). Visit of a local winery with wine tasting. Dinner and lodging in a resort at Mont Orford area. (B, D)

#### **Day 4: Magog, Quebec City**

2nd Performance

After breakfast we continue to Quebec City thru the old road. Stop in Black lake at the largest open sky mine (asbestos) in the world. Free time for lunch at the arrival in Quebec City. In the afternoon enjoy a city tour
